GOVERNMENT OF BOMBAY.
Rehabilitation Department.
Circular No.ARL 4853/D.
Secretariat(Annexe), Fort.
Bombay(1) 12th January 1955

Circular of Government.

The Examiner, Outside Audit Department has pointed our that account of loans paid to the displaced persons from West Pakistan are maintained districtwise in his office and unless th Collector has got the consolidated account of loans paid to the displaced persons, it would be difficult for the Collector to acknowledge the balance under the loans account which is intimated to him by the Examiner. The Collector is the sanctioning and controlling authority for granting the loans to displaced persons and in order to enable him to have proper control over the payments and recoveries, it is absolutely necessary to have a consolidated account of loans paid to displaced persons in his office. Such consolidated accounts are already being maintained in the rehabilitation section of the Collector's Office in some districts without any difficulty being experienced. The Collectors of Districts where consolidated accounts are not bein maintained are, therefore, requested to see that such consolidated accounts of the loans paid to displaced persons in their respective district are mained without fail so as to have proper control over the payments and recoveries in respect of these loans.

All the ~~Collectors~~ Collectors are further requested to ~~xxxx~~ send to this department within two months from the receipt of this circular, a report that wuch accounts have been maintained in their respective districts.
